

Register Today for Webinar #5

Electric Med- & Heavy-Duty Webinar Series: Vehicle-to-Grid (V2G) Charging Solutions

Come learn how V2G technology can not only store energy using your EV but discharge it back into the grid during an emergency!

Geared towards school districts, utilities, municipal & private sector fleets and general EV enthusiasts!

Date: January 20th, 2022

Time: 10:00 AM - 12:00 PM ET
