

Municipal EV Toolkit: EV Readiness Roadmap

Becoming EV Ready can feel like a long and windy road. Use this map to find your way!

Step 1

Take the EV Readiness Assessment
www.maineleancommunities.org/ev-assessment

Prioritize and transition your municipal fleets

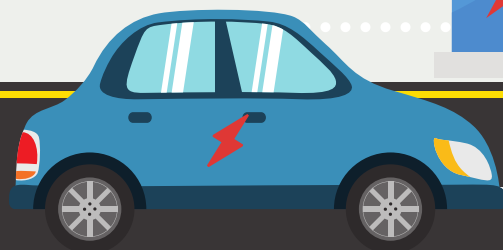

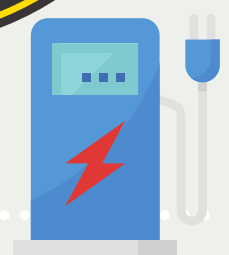

Step 2

Adopt EV infrastructure ordinances and create a standardized permitting process

Step 3

Plan and lead the transition to EVs within your community

Step 4

Congratulations on becoming EV Ready!
